REDEFINING INDIA'S SPORTING FUTURE

JAIN Sports is a visionary initiative under The JGI Group, one of India's most respected names in education and sports.

Built on The JGI Group's 30-year legacy of sporting excellence, with **9** Olympians, **3** Paralympians, over **550** national and **250** international athletes, JAIN Sports carries forward this tradition of nurturing India's finest talent.

MISSION

To deliver holistic athlete development through world-class coaching, integrated academics, sports science, and global partnerships, building a sustainable sports ecosystem that nurtures talent from grassroots to elite levels and creates opportunities for every athlete to train, grow, and inspire.

VISION

To build India's most advanced and inclusive sports ecosystem, empowering athletes to achieve global excellence through world-class training, education, and opportunity.

*India's Roadmap To
Global Sporting Excellence*

Vision 2036 reflects JAIN Sports' long-term mission to develop medal contenders and professional athletes for -

The 2036 Summer Olympics and Paralympics, and

International professional leagues across multiple disciplines

Through a structured, data-driven **Long-Term Athlete Development (LTAD)** model, JAIN Sports nurtures athletes from grassroots participation to elite international performance.

Our goal is to create India's most inclusive and sustainable sports ecosystem — integrating **education, sports science, and mentorship** to shape the champions of tomorrow.
